

National Safety Pledge and Fire Service Seat Belt Pledge

The **Insert Your Department** is committed to your safety and the promise that we make every day to your family that "Everyone Goes Home" That commitment includes the best available equipment and procedures so all operations can be performed as safely as possible.

Each firefighter is also responsible for a commitment, a commitment to themselves, families, and brother/sister firefighters. This pledge is part of that commitment. Pledge willingly to:

- Eat Healthier (at the station and home)**
- Exercise More (at least 3 times a week)**
- Get an Annual Physical Exam**
- Buckle Up (at home and work- make everyone click it)**
- Wear ALL of your appropriate PPE**
- Set an Example for Safety Everyday**

Insert a line of duty death from your department or pick a line of duty death from the recent U.S. Fire Administration Firefighter Fatalities in the United States. (Ideally this would address a safety concern of your department).

Firefighter Christopher Brian Hunton, age 27, was a member of the Amarillo Texas Fire Department for one year. On April 23, 2005 he fell out of his fire truck responding to an alarm he died two days later from his injuries. Brian was not wearing his seat belt.

I make this pledge willingly to honor two of my fallen brothers **Name From Above** and Firefighter Brian Hutton and because it is the right thing to do.

On My Honor, I So Pledge:

Department: **Insert Your Department**
