TAKE 5 FOR SAFETY

5-MINUTE SAFETY DRILL

It's Your Safety Call: Major Fire

Date:_____

Student:_____

Dept:_____

Station:_____

Training Code:_____

NOTES:

CHALLENGE

Being a good firefighter involves making good decisions and following established procedures. This scene allows you to become the instructor. Let's put into practice our experiences and trainings as we discuss the issues related to this situation.

DISCUSSION

- How prepared is your department to fight this type of fire?
-
- As the safety officer, what would be your concerns?
- How would you address your concerns?
- How would your proceed to communicate and coordinate the team activities?
    - Do you have any evacuation concerns?

If you had unlimited resources, what would be your strategy to attack the fire?

The greatest asset of the fire service is our people; protect them!
